Dear Sponsor,

Thank you for the school supplies and food that you gave everyday. Thank you so much the angel sent you from heaven. Hope you have a long life and always safe from harm.

Hope your always ok and God bless you! Thank you,

Love,

Joana Magnao

Dear sponsor,

Joana is a smiling face. She loves to draw & color the books. She's actively attending our activities in the center. Regarding her health her weight increased for almost 1 kilo and 1/2 inch for her height. Please pray this child, even though she's a muslim she likes Bible stories in the center. Thank you so much for all the blessings that you have shared with us. May the Lord bless you always. Thank you
